### Website Promotion

<b>SearchActivator</b>	\$55	Have your website registered with the 47 most influential search engines.
<b>SearchOptimiser</b>	\$199	Have your website assessed for its "search-engine friendliness", including a report of recommended changes and improvements.
<b>SearchCommander</b>	\$550 (3 months) \$990 (6 months)	The full website promotion program, including SearchActivator, SearchOptimiser, link building and ongoing performance assessment & recommendations. Minimum 3 months.
<b>SearchCommander Lite</b>	\$330 (3 months) \$594 (6 months)	As SearchCommander full program, but without link building.
<b>AdCommander</b>	\$330 (3 months) \$594 (6 months)	A comprehensive Google Adwords campaign, including setup and ongoing assessment and monthly performance reports.

Listed below are approximate costs for small and medium sized websites along with descriptions of what these consist of, but your own project is likely to be different (lower if you know exactly what you want and have all the information and resources to hand, or higher if you need more consultation, advice and assistance).

<b>Small website setup</b>	10 or less separate webpages of information Minimal website appearance modifications Example - winchwebsites.com.au	\$120 (2 hours)
<b>Medium website setup</b>	20-30 webpages (copy & paste content) Moderate appearance customisation (colours, layout) Some advanced features (eg. poll, RSS feeds)	\$420 (1 day / 7 hours)
<b>Company email system</b> (based on GMail)	10 or less email addresses Email access by internet (web browser)	\$60 (1 hour)

On-site work may be available within reasonable distance of Winchelsea eg. for training or information-gathering. On-site work is by arrangement only Monday to Friday 9am to 5pm, charged at standard hourly rate plus travel time (minimum half hour travel time).
